Re: ***Victoria Dicks v. Ben-Amun Co., Inc.***  
**1:22-cv-08150-LJL-VF**

Dear Judge Liman:

Defendant's deadline to file its 12(c) Motion to Dismiss was February 6. Unfortunately, I filed the documents at one minute and three minutes past midnight (respectively) on the morning of February 7.<sup>1</sup> I am writing to inform the Court of my error.

I apologize for missing the deadline and beg the Court's indulgence in this matter.

Sincerely,

Ben D. Manevitz
